

WELCOME BAGS

These bags are for girls who are entering the Vista Maria program. Many ladies come scared and with little or no possessions. To help comfort them, we would like to provide a bag for them to call their own.

How to get started:

1. Purchase a reusable shopping bag with no zippers and fill it with the new items below. Be sure to stay consistent with your sizes.
2. Attach a label to the bag with the clothing size listed and bring it on collection day.
3. Drop your bag off any time during the week or when you attend a service at the front desk to the attention of Compassion Ministries.
