DISCLAIMER: We realize at times connecting with a licensed counselor is necessary when individuals are facing difficult decisions, transitions in life, trials, and personal crisis. We have selected counselors in the community who we believe will provide wise care and counsel to you. So that you can find the most appropriate counselor to assist you, we encourage you to interview more than one person before making a final selection. As you interview potential counselors, consider what your needs are and what you hope to accomplish. This dialogue will help you in selecting the most appropriate individual or agency for your needs.
